DOCUMENTATION

S Plan of complex

In order to standardise entries at the printing stage the site plan (as shown in Enclosure A) should preferably measure 20 cm x 20 cm or less and should indicate the scale used (e.g. 1:4000).
If this is not possible, send any plans in the format in which they are available.

T Bibliography

In view of the difficulty of interpreting the numerous languages of the countries covered by the survey, and in order to avoid typing errors when reproducing the text, please provide bibliography as:
- typescript
or
- photocopy of a published text enclosed with front page giving author, title of work, place and date of edition.

U Other material

In order to reproduce a picture of the complex on the card to be printed, recipients are kindly asked to submit photographs, slides, audiovisual material, brochures, postcards, pamphlets, published works or any other supplementary documentary material.
